New Orleans Area Habitat for Humanity
Bench & Bar Build 2019

WHAT IS BENCH & BAR BUILD?
Bench & Bar Build is a collaboration of local legal professionals coordinated by New Orleans Area Habitat for Humanity (NOAHH). The Build is open to local legal professionals (judges, partners, associates, paralegals, professional staff, government/nonprofit employees). Volunteers work side by side with a hard-working New Orleans family, who will purchase the house upon completion.

WHEN WILL THE BUILD TAKE PLACE?
The Build will take place on Saturday, September 28, 2019—conveniently scheduled during LSU’s bye week.

HOW CAN WE GET INVOLVED?
Legal professionals are invited to participate in Bench & Bar Build through volunteering, sponsorship, and hospitality efforts. Whether you choose to swing a hammer, wield a paintbrush, recruit volunteers, or donate lunch and snacks, your support will be valuable in this process.

This is an excellent opportunity to build relationships and strengthen professional networks, all while having a lasting impact on a Habitat Partner Family. Participants receive:

- Breakfast
- Lunch
- Post-build oysters and beverages
- Bench & Bar Build t-shirt
- CLE credit (presented during lunch)

The participation fee for Bench & Bar Build is $100 per participant, and may be paid by the individual or by his/her firm. Firms with 5+ participants must purchase a sponsorship. Please see sponsorship levels on next page.

For more information, please visit benchandbarnola.org, or contact Jim Dempsey at 504-609-3338 or jimd@habitat-nola.org.
WHY SPONSOR BENCH & BAR BUILD?

NOAHH is seeking sponsors to help meet a $15,000 fundraising goal that helps to cover construction costs of the home being built; it costs roughly $90,000 to build a Habitat home.

$3,500 Sponsor
- 15 volunteers
- Logo on nail aprons
