Your sponsorship will have an immediate impact.

Your sponsorship will help local families by giving them a hand up, not a hand out. New Orleans Habitat provides the opportunity for low-income families to own a home with an interest-free, 30-year mortgage, which is possible because your gift, along with grants and volunteer labor, subsidize the cost of the house.

Partner families contribute 250 hours of "sweat equity" by helping to build their homes and attending budget and first-time homebuyer classes. Because a Habitat mortgage is often more affordable than rent, many homebuyers further their education, start businesses, or grow their families, changing their lives for generations to come.

Sponsorship funds will be used for materials, construction supervision, and other hard costs for the home build project.

All sponsored builds include:

- recognition on the New Orleans Habitat website, social media, email blasts, and print communications.
- snacks provided on site for all volunteers.
- listing in the New Orleans Habitat Annual Impact Report.

Customize Your Sponsorship

Please contact us to build a home sponsorship that fits your budget and volunteer goals. Every day, we're working to bring people together to build homes, communities, and hope — and we would love to partner with you.

There are many ways your organization can begin a partnership with Habitat for Humanity and make a real difference and a tangible impact. We create a sponsorship package that works for you.

We know that every organization's goals and objectives are different. Let New Orleans Habitat customize a build experience to meet your individual needs.

Contact Jay at (504) 609-3332 or jayh@habitat-nola.org to schedule your sponsored build!

No matter who we are or where we come from, we all deserve to have a decent life. We deserve to feel strength and stability day after day. We deserve to know we have the power to take care of ourselves and build our own futures.

At New Orleans Area Habitat for Humanity, this is what unites us. Through shelter, we empower. Our shared vision is a world where everyone has a decent place to live. Because you, me, we — we're all humans. And every single one of us deserves the opportunity for a better future.

Every donation helps a family help themselves. Your financial support, your voice and your time will help bring strength, stability and self-reliance to families in need of a decent place to live today.

New Orleans Habitat hosts special builds and sponsored builds year-round. Building with Habitat is not busy work; team members engage in construction activities that help our homebuyers achieve their goals, too. We look forward to creating an event for you and your team that is memorable and makes a lasting impact.

Join us at a build, event and/or giving day sponsor and change lives for generations to come!

Thank you for being part of the New Orleans Habitat family!

Bench and Bar Build is a collaboration of local legal professionals (judges, partners, associates, paralegals, professional staff, government/non-profit employees), and providers of specialty services by New Orleans Area Habitat for Humanity. Volunteers work side by side with a hard-working local family who will purchase the home upon completion.

How Can We Get Involved?

Legal professionals are invited to participate in the fourth Annual Bench and Bar Build through volunteering, sponsorship, and hospitality efforts. Where you choose to swing a hammer, wield a paintbrush, recruit volunteers, or donate lunch and snacks, your support is valuable. This is an excellent opportunity to build relationships and strengthen professional networks, all while having a lasting impact on a Habitat Partner Family.

Participants will receive:

- Continental breakfast
- Lunch
- Post-build seafood and beverages
- Fourth Annual Bench and Bar Build t-shirt

Fourth Annual Bench and Bar Build sponsorships are available for groups of all sizes with varying volunteer opportunities.

What is Unity Build?

Unity Build is a collaboration of local faith groups facilitated by New Orleans Area Habitat for Humanity. People of all faiths unite to build a home for a hard-working New Orleans family. Through shared work, new friendships are formed, and we learn that more unites us than divides us. Through this collaboration, we will build a new affordable home for a hard-working New Orleans family.

Who can participate in Unity Build?

New Orleans Habitat has invited dozens of local congregations to participate. Unity Build will bring together a variety of faith groups from across New Orleans; people of different traditions, neighborhoods, and experiences will work side by side with a hard-working New Orleans family, who will purchase the house. The project is open to all, and we welcome your suggestions for additional groups to invite.

Why should we participate?

Even though we come from different traditions, we are all children of God. We believe that it is very important that people of all faiths in this city demonstrate their unity through common service, and we believe building a home is a perfect way to do so. Through laying a strong foundation - spiritual and physical - we can play an integral role in building hope in the city of New Orleans.

How can we get involved?

There are many ways to get involved! Along with financial support, all groups will be invited to participate in building on-site by providing volunteers and hospitality. Whether you can swing a hammer, wield a paintbrush, serve lunch, or bake a batch of cookies, your help will be valuable in the process. Pledges can be any size - \$1,500 to \$10,000 - or more! Pledges can be made now and will be due by June 30, 2023.

2023 Women Build
**Strong Women Build
Strong Communities.**

✦ ✦ *New Dates!!* ✦ ✦

May 12-13 & 19-20, 2023

Women Build is an annual event that recruits and empowers women of all different ages, backgrounds, and industries. Local women come together to build homes and make a powerful and visible impact on our community through housing and neighborhood revitalization efforts. Women Build is a truly unique and exciting opportunity for women in our community, no matter what their skill levels, to roll up their sleeves to promote positive, women-led impact. Projects include the option to participate on new home build or home repair projects. Lunch, water, and snacks provided for your volunteers on build days.

How Can We Get Involved?

The build environment will allow women of all capabilities and backgrounds to come together in support of one another and the Habitat Partner Family. Volunteers will include women from all walks of life to contribute their time, talent, and labor to the project.

There are opportunities to participate as a one-time or multi-day volunteer. Recruit a team or publicly declare support through various levels of sponsorship.

Can men be involved?

The Pink Tutu Krewe started as a way for men to be involved as supporters of Women Build. Now it's a way for everyone to get involved with New Orleans Habitat without swinging a hammer. Pink Tutu Krewe members serve as the "street team" for the affiliate, helping out with signature special events - fundraising, setting up, hospitality, and much more - all while wearing our signature Tutu Krewe attire! Email pinktutukrewe@habitat-nola.org for more info!

June 2-3, 16-17, & 23-24, 2023

New Orleans Area Habitat for Humanity will be hosting our second annual Pride Build, bringing together local members of the LGBTQ community and allies to help build a home for a local family - and celebrate New Orleans Habitat LGBTQ homeowners. Decades of systemic discrimination have barred LGBTQ families and individuals from homeownership. Through Pride Build, we hope to raise awareness of the need for affordable housing for all and its power to transform lives for the better.

How Can We Get Involved?

You are invited to participate in Pride Build through volunteering, sponsorship, and hospitality efforts. Whether you choose to swing a hammer, wield a paintbrush, recruit volunteers, or donate lunch and snacks, your support is valuable. This is an excellent opportunity to build relationships and strengthen professional networks, all while having a lasting impact on a Habitat Partner Family.

Participants will receive:

- Continental breakfast
- Lunch
- Post-build seafood and beverages
- Fourth Annual Bench and Bar Build t-shirt

Second Annual Pride Build sponsorships are available for groups of all sizes with varying volunteer opportunities.

Everyone deserves a home. A home is more than a roof over your head. It is a place of sanctuary, a place where you can safely be yourself. Affordable homes bring stability that can uplift individuals and families (of every kind) from the cycle of poverty.
